about the promotion of Assistant Commissioners to the class
of Senior Assistant Commissioners.

OPINION OF THE COUNCIL.

follows:-

" An Assistant Commissioner of the 1st class shall, if
a vacancy exists, be eligible for promotion to the class of
Senior Assistant Commissioner, provided he has rendered ap-
proved service and fully qualified himself by passing the
prescribed examinations."

NOTE—G. S. N. G.

Submitted to His Highness.

Under the existing Civil Service Rules promotions to the Senior Assistant Commissioners' grade do not depend solely on the existence of vacancies in that grade. An Assistant Commissioner of the first class, even though fully qualified, is not eligible for promotion unless he has rendered at least two years' approved service in that class. The effect of prescribing this minimum time limit has been to unduly retard the flow of promotion, which is even otherwise slow compared with the prospects which this class of officers, particularly those entertained by direct recruitment, enjoyed in the past under the Civil Service schemes of 1891 and 1906.

2. The Council accordingly propose that Rule XI of the Civil Service Rules on the subject may be amended as follows :-

"An Assistant Commissioner of the first class shall if a vacancy exists, be eligible for promotion to the class of Senior Assistant Commissioner, provided he has rendered approved service and fully qualified himself by passing the prescribed examinations".

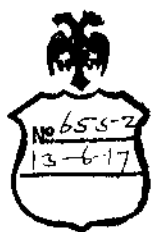

3. The recommendation of the Council may be graciously approved.
